### III.1. Conditions for participation

#### III.1.3. Technical and professional ability

Minimum level(s) of standards possibly required:

The Provider should have an appropriate skill mix within their team in keeping with the recommendations set out in 'Transforming Adult Hearing Services for Patients with Hearing Difficulty — A Good Practice Guide', DH, June 2007 and the BAA Scope of Practice (2016). Assessment and treatment should always be provided by staff that are either suitably registered or are supervised by a suitably registered practitioner and who are appropriately trained, qualified and experienced.

The Professional Head of Service must be registered with the Health and Care Professions Council or the Registration Council for Clinical Physiologists. Other team roles may include: Audiologists, Hearing Aid Dispensers and assistant/associate audiologists who are suitably qualified. Where the Government's Modernising Scientific Careers (MSC) programme brings about changes to registration requirements, audiologists must be registered accordingly and arrangements should be in place to support MSC training placements.
