I.4. Type of the contracting authority

Body governed by public law

I.5. Main activity

Other activity: Helicopter emergency medical services ('HEMS')

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

HEMS Helicopters for two (2) New Bases in Finland — Dry Lease of Helicopters, Maintenance and Training

II.1.2. Main CPV code

34711500 Helicopters

II.1.3. Type of contract

Supplies

II.1.4. Short description

FinnHEMS Oy is 100 % owned by the State of Finland. FinnHEMS is a non-profit organisation for providing the helicopter emergency medical services ('HEMS'), helicopter bases and related infrastructure and processes for the University Hospital Districts. This contract notice concerns FinnHEMS Oy and its subsidiary FinnHEMS Flight Services Ltd. (FinnHEMS Lentopalvelut Oy).

FinnHEMS Oy is setting this contract notice to find the best solution for HEMS services for two (2) new bases in Finland. The final RFQ will not be set until the negotiation period is completed and the optimal solution is defined.

According to the FinnHEMS evaluation the nature of the purchase shall be a cross-border supply of goods involving the acquisition of services. The procurement shall comply with EU Public Procurement Act (1397/2016). The procedure is competitive negotiation procedure, since due to the nature of the contract, the invitation to tender cannot be drawn up so precisely that the best offer could be selected without negotiation period.

The preliminary schedule for entering to the intended contract is:

- notice of contract April 2021;
- requests to participate April 2021;
- selection of the tenderer(s) May 2021;
- negotiation period May 2021;
- final RFQ will be set June 2021;
- final quotations will be set August 2021;
- evaluation of quotations and procurement decision on the awarded candidate September 2021;
- contract signatures October 2021.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 3
The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Dry lease of helicopters, maintenance services and training (technical and flight crew).
