Further information is set out in pre-qualification questionnaire and below:

a) It is ESB's intention to short-list suitable candidates.

ESB will not be responsible for costs, charges or expenses incurred by candidates, whether or not a final contract is awarded.

b) This notice is to serve as the sole Call for Competition for this contract.

c) In connection with the award of the contract, the Tenderer shall be required to identify the entity that would be responsible for the receipt and processing of orders and the resolution of any and all problems relating to this contract.

d) In responding to this notice, companies must indicate if they propose to submit a group bid and, if so, must provide full details of the participating companies. (See section III.1.3))

e) The negotiated procedure will be used, however, the contracting entity retains the option to accept initial bids without further negotiations.

f) Suppliers attention is directed to Article 58.2 of Directive 2004/17/EC of the European Parliament and of the Council.

g) Award to Runner Up — If for any reason it is not possible to conclude the contract with the designated successful tenderer emerging from this competitive process, ESB reserves the right to award the contract to the next highest scoring tenderer on the basis of the terms advertised. This shall be without prejudice to the right of ESB to cancel this competitive

process and/or initiate a new contract award procedure at its sole discretion.

h) ESB reserves the right to seek additional contractual and commercial safeguards in the event that the financial position of the proposed vendor deteriorates. ESB also reserves the right not to award the contract to the proposed vendor in such circumstances.

i) The contracting entity reserves the right to conclude this contract, or withdraw from the process, at its sole discretion.
