II.2.4. Description of the procurement

A framework agreement (SSA-R) with one total supplier is planned for the assignment. The contracts that will be used in connection with SSA-R are SSA-B, SSA-O, and SSA-V (the maintenance contract will have a duration of 3+1+1+1 year). Further details are in 1.5 below. A detailed description of the delivery is in the Norwegian Language Council's requirements specification.

The estimated contract value is uncertain, and will depend on the chosen level for operation and maintenance and on the entity's plans and budgets for further development after the establishment phase. The total volume will comprise an initial establishment project, operation, ongoing assistance with management, and any further developments. The total value for the contract period, including options, is therefore difficult to determine, but is estimated to a maximum total of NOK 6.0 million. The scope of the establishment project new språkrakdet.no (SSA-O) is estimated to be NOK 1.5 million. The contracting authority emphasises that the figures are very uncertain and are not binding from the contracting authority's side.
