

United Kingdom-Carmarthen: Research, testing and scientific technical simulator

OJ S 72/2020 10/04/2020

Contract award notice

Supplies

Legal Basis:

Directive 2014/24/EU

Section I: Contracting authority

I.1. Name and addresses

Official name: University of Wales Trinity Saint David

Postal address: Carmarthen Campus

Town: Carmarthen

NUTS code: UKL18 Swansea

Postal code: SA31 3EP

Country: United Kingdom

E-mail: heidi.davies@uwtsd.ac.uk

Telephone: +44 1267676767

Internet address(es):Main address: <http://www.tsd.ac.uk>Address of the buyer profile: https://www.sell2wales.gov.wales/search/Search_AuthProfile.aspx?ID=AA0343**I.2. Information about joint procurement**

The contract is awarded by a central purchasing body

I.4. Type of the contracting authority

Body governed by public law

I.5. Main activity

Education

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

ATIC UX Laboratory, Phase 1: Mobile UX Systems

Reference number: UWTSD1819/69

II.1.2. Main CPV code

38970000 Research, testing and scientific technical simulator

II.1.3. Type of contract

Supplies

II.1.4. Short description

The first phase of procurement for the ATIC UX Laboratory is focussed on 'mobile' systems that will be able to capture user data and experience in a variety of environments. Once the location for the research centre is confirmed, the second phase of procurement will focus on

integration of these systems with a suite of 'fixed' laboratories that will provide a fully integrated facility for observational studies, psychophysiological measurement, motion analysis, real and virtual eye tracking, 3D scanning and user data capture. This will be supported by an advanced prototyping facility.

The key objective of this procurement process is to secure high-quality equipment that is fit for purpose and offers UWTSD value for money. These services have been split into four separate lots

II.1.6. Information about lots

This contract is divided into lots: yes

II.1.7. Total value of the procurement

Value excluding VAT: 18 030,00 GBP

II.2. Description

II.2.1. Title

Portable Observation Lab for Usability Research

Lot No: 1

II.2.2. Additional CPV code(s)

73000000 Research and development services and related consultancy services, 38000000 Laboratory, optical and precision equipments (excl. glasses), 51000000 Installation services (except software)

II.2.3. Place of performance

NUTS code: UKL14 South West Wales

Main site or place of performance: South Wales.

II.2.4. Description of the procurement

The first phase of procurement for the ATIC UX Laboratory is focussed on 'mobile' systems that will be able to capture user data and experience in a variety of environments. Once the location for the research centre is confirmed, the second phase of procurement will focus on integration of these systems with a suite of 'fixed' laboratories that will provide a fully integrated facility for observational studies, psychophysiological measurement, motion analysis, real and virtual eye tracking, 3D scanning and user data capture. This will be supported by an advanced prototyping facility.

The key objective of this procurement process is to secure high-quality equipment that is fit for purpose and offers UWTSD value for money. These services have been split into four separate lots as follows:

Lot 1: Portable Observation Lab for Usability Research,

Lot 2: Psychophysiological Measurement System,

Lot 3: Mobile Eye Tracking System,

Lot 4: Markerless Motion Analysis System.

All equipment will need to be fully mobile and transportable so it can be used for experimental research and product/system testing and evaluation at different and varied locations.

II.2.5. Award criteria

Quality criterion - Name: Quality / Weighting: 60

Cost criterion - Name: cost / Weighting: 40

II.2.11. Information about options

Options: yes

Description of options:
Any additional purchased linked to the equipment.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
yes
Identification of the project: ATIC

II.2.14. Additional information

II.2. Description

II.2.1. Title

Psychophysiological Measurement System
Lot No: 2

II.2.2. Additional CPV code(s)

73000000 Research and development services and related consultancy services, 51000000 Installation services (except software), 38000000 Laboratory, optical and precision equipments (excl. glasses)

II.2.3. Place of performance

NUTS code: UKL14 South West Wales

II.2.4. Description of the procurement

The first phase of procurement for the ATIC UX Laboratory is focussed on 'mobile' systems that will be able to capture user data and experience in a variety of environments. Once the location for the research centre is confirmed, the second phase of procurement will focus on integration of these systems with a suite of 'fixed' laboratories that will provide a fully integrated facility for observational studies, psychophysiological measurement, motion analysis, real and virtual eye tracking, 3D scanning and user data capture. This will be supported by an advanced prototyping facility.

The key objective of this procurement process is to secure high-quality equipment that is fit for purpose and offers UWTSD value for money. These services have been split into four separate lots as follows:

Lot 1: Portable Observation Lab for Usability Research,

Lot 2: Psychophysiological Measurement System,

Lot 3: Mobile Eye Tracking System,

Lot 4: Markerless Motion Analysis System.

II.2.5. Award criteria

Quality criterion - Name: Quality / Weighting: 60

Cost criterion - Name: cost / Weighting: 40

II.2.11. Information about options

Options: yes

Description of options:

Any additional equipment needed for the project.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
yes
Identification of the project: ATIC

II.2.14. Additional information

II.2. Description

II.2.1. Title

Mobile Eye Tracking System
Lot No: 3

II.2.2. Additional CPV code(s)

73000000 Research and development services and related consultancy services, 51000000 Installation services (except software), 38000000 Laboratory, optical and precision equipments (excl. glasses)

This will be supported by an advanced prototyping facility.

The key objective of this procurement process is to secure high-quality equipment that is fit for purpose and offers UWTSD value for money. These services have been split into four separate lots as follows:

Lot 1) Portable Observation Lab for Usability Research,
Lot 2) Psychophysiological Measurement System,
Lot 3) Mobile Eye Tracking System,
Lot 4) Markerless Motion Analysis System.

All equipment will need to be fully mobile and transportable so it can be used for experimental research and product/system testing and evaluation at different and varied locations.

Bidders are allowed to bid for a single or all lots.

II.2.5. Award criteria

Quality criterion - Name: Quality / Weighting: 60

Cost criterion - Name: cost / Weighting: 40

II.2.11. Information about options

Options: yes

Description of options:

Additional requirements to complete the project.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
yes

Identification of the project: ATIC

II.2.14. Additional information

II.2. Description

II.2.1. Title

Markerless Motion Analysis System

Lot No: 4

II.2.2. Additional CPV code(s)

73000000 Research and development services and related consultancy services, 51000000 Installation services (except software), 38000000 Laboratory, optical and precision equipments (excl. glasses)

Options: yes

Description of options:

Additional equipment to complete the project.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
yes

Identification of the project: ATIC

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2018/S 156-357978](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice

Section V: Award of contract

Lot No: 1

Title:

Portable Observation Lab for Usability Research

A contract/lot is awarded: yes

V.2. Award of contract

V.2.1. Date of conclusion of the contract

24/09/2018

V.2.2. Information about tenders

Number of tenders received: 1

Number of tenders received from SMEs: 0

Number of tenders received from tenderers from other EU Member States: 0

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 1

The contract has been awarded to a group of economic operators: no

V.2.3. Name and address of the contractor

Official name: Tracksys Ltd

Postal address: 15, Faraday Building, Tracksys Ltd

Town: Nottingham

NUTS code: UK United Kingdom

Postal code: NG72QP

Country: United Kingdom

The contractor is an SME: no

V.2.4. Information on value of the contract/lot

Total value of the contract/lot: 18 030,00 GBP

V.2.5. Information about subcontracting

Section VI: Complementary information

VI.3. Additional information

(WA Ref:101318)

VI.4. Procedures for review

VI.4.1. Review body

Official name: High Court

Postal address: Royal Courts Of Justice, The Strand

Town: London

Postal code: WC2A 2LL

Country: United Kingdom

Telephone: +44 2079477501

VI.5. Date of dispatch of this notice

09/04/2020
