The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The contracting authority requests tenders regarding the hire of an inspection engineer. The inspection engineer shall be included in the contracting authority's builder organisation involved in the implementation of the project section E18 Riksgrensen-Ørje. The objective of the procurement is to engage builder personnel that shall follow up contracts that are implemented in 2015-2017. It is a tight progress in relation to implementation of the project, and consequently the builder personnel must be prepared to work overtime. The contracting authority requires one inspection engineer.
