#### **II.2.4. Description of the procurement**

The Clinical Commissioning Groups (CCGs) have a statutory duty to meet the requirements of the Health and Social Care Act (2012) including the provision of NHS Continuing Healthcare and NHS Funded Nursing Care. This is undertaken by assessing, reviewing and case managing patients who are their responsibility where they have been identified as likely to be eligible for NHS Continuing Healthcare, or a joint funded package of care or are placed in a nursing home and are eligible for receipt of Funded Nursing Care.

The CCGs have developed a service specification in light of the NHS England 5 Year Forward View and in the context of the strategic vision of the CCGs within Derbyshire. The service specification will be reviewed as the Sustainability and Transformation Plan (STP) develops across Derbyshire and Derby City. The principles of which are for a seamless health and social care service, which is person centred, promotes independence and is delivered as close to home as possible.
