**II.2.4. Description of the procurement**

A velodrome shall be constructed in Sola municipality as a part of the total development of regional multi-purpose halls. The building is planned by the sports facility for Sola municipality in Åsen and is localised close to Solasplitten, with access from Åsnutveien. The velodrome will be a part of 'Folkehallene' (the public halls) and it will complete the development of 4 multi-purpose halls in Sola, Sandnes, Stavanger and Randaberg municipalities. The velodrome shall have UCI 2 classification and it shall be able to hold major championships for both juniors and seniors. The velodrome will be the first indoor velodrome in Norway that has been built since the world championships in Oslo in 1993 and will, after completion, be the only indoor 250 m competition velodrome in Norway. In addition the hall shall be able to be used for gymnastics, both locally and regionally and the intention is that the apparatuses can be fixed as they are in a gymnastics hall. The hall will also include all the necessary support functions and administrative functions as a part of the daily operation of Folkehallene, and it will hold major gymnastic and velodrome events. The project limit is 200 000 000 NOK excluding VAT for the entire building, including the cycle track. The costs for the cycle track are estimated to be approx. 10 000 000 — 12 000 000 NOK excluding VAT. The building is planned with 2 parallel turnkey contracts, 1 for the actual track and 1 for everything else, constructional and technical. In addition there will be a contract delivered by Sola municipality for infrastructure such as water and sewage, roads and outdoor installations. This procurement is for a turnkey contract for the cycle track. The competition includes both the design and execution, based on the contracting authority's function description.
