II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in months: 48

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 2 000 000 NOK

Frequency and value of the contracts to be awarded: Based on statistics from previous years, and the Action and Finance Plan for 2016-2019, the contract is estimated to have a contract value of approx. 500 000 NOK excluding VAT per annum, a total of 2 000 000 NOK excl. VAT if all the options are taken up.

The estimate is a guideline and is not binding for the contracting authority, nor does it give the supplier any rights. Subject to changes in volume as a result of changed financial framework conditions and municipal activity. Attention is drawn to the fact that consultants who have involved in the previous contract period will complete projects that have been started, even if these continue into the new contract period.

II.1.5. Short description of the contract or purchase(s)

Sola municipality intends to enter into a framework agreement for the provision of consultant engineers, electro. The objective of the agreement is to ensure the contracting authority's continuous

requirements for consultancy related to minor projects. Larger projects where the total budget frame exceeds 20 000 000 NOK the contracting authority reserves the right to implement separate tender contests.

The framework agreements will be for one year, with an option for the contracting authority to extend them for a further 1+1+1 years, total four years. The options will be automatically taken up unless the contracting authority gives notification otherwise at the latest 3 months

before the contract or option year expires.

The agreement is expected to be initiated 2.9.2016.

II.1.6. CPV code(s)

71310000 Consultative engineering and construction services, 71300000 Engineering services , 71311000 Civil engineering consultancy services, 71318000 Advisory and consultative engineering services
