The Trust will incorporate a minimum 10 calendar day standstill period at the point at which information on the award of the contract is communicated to tenderers.

The lodging of appeals should in the first instance be sent to the above address at the Trust. Applicants who are unsuccessful shall be informed by the Trust as soon as possible after the decision has been made as to the reasons why they were unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, The Public Contracts Regulations 2015 provide for aggrieved economic operators who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order the authority to pay a civil financial penalty and/or order that the duration of the contract be shortened.
