Title: R01719 Licences and licence consultancy services

Description: The framework agreement will be for the procurement and hire of licences, as well as renewals for existing licences, maintenance, upgrades, trade-in etc. The agreement will apply to minor cloud licences (SaaS, PaaS, IaaS) and minor on-premise licences. The contract shall support the Norwegian Defence Estates Agency's main and support processes. The framework agreement shall cover consultancy and technical consultancy services within licences, products and technology related to the contracting authority's current and future licence and product portfolio. The framework agreement shall be signed with one tenderer. The estimated value of the framework agreement, including any options, is NOK 250 million excluding VAT.
