#### **II.2.4. Description of the procurement**

The contract value is estimated to be above the EEA threshold. The estimated value is not binding for the contracting authority. The need is uncertain. The volume can be both higher and lower, and will depend on, amongst other things, the contracting authority's needs, activities, budgetary situation and other framework factors in the contract period. Lots/groups: It is possible to submit tenders for one or more groups. Sub-tenders and alternative tenders cannot be submitted within each lot/group. The contracting authority reserves the right to split the contract between several tenderers and to accept all or parts of a tender. Click on 'choose parts' in order to choose which parts you will submit a tender for. You will then see the following: framework agreement. The procurement will be regulated by the attached framework agreement and associated standard terms. The framework agreement has a duration from and including 1 June 2021 00.00 until and including 31 May 2023 00.00 with the opportunity for the contracting authority to further extend for up to two years, with 12 months at a time. The contracting authority will sign a contract with 1 - one - tenderer in each group, provided that a sufficient number of qualified tenderers submit tenders to the contest. The contracting authority expects that the tenderer studies the contractual terms and makes the required internal clarifications in such a way that a contract can be signed if awarded.
