the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address**I.2. Type of the contracting authority**

National or federal agency/office

I.3. Main activity

General public services

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Framework agreement — Workshop services for the Norwegian Coastal Administration's vessels.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Ålesund, Norway.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement : 13

Duration of the framework agreement

Duration in years: 5

In the case of framework agreements, provide justification for any duration exceeding 4 years: The framework agreement period is 3 years, with option for further 2 years prolongation.

Classifications take place at 5 years intervals and there are thus, special conditions that justify a somewhat longer contract period.

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 50 000 000 NOK

Frequency and value of the contracts to be awarded: There will be approx. 20 assignments per annum within the framework agreement, with a total value of 8 000 000 NOK-10 000 000 NOK per annum.

II.1.5. Short description of the contract or purchase(s)

Kystverket Rederi would like to enter into 'Framework agreements for workshop services for the Norwegian Coastal Administration's vessels'. The framework agreements will be for 3 years, with an option for a further 2 years.

The framework agreements are for technical workshop services for the Norwegian Coastal Administration's 25 vessels. The assignments will include both periodical maintenance, main and between classification, axel track, minor alterations, modifications, repairs and other minor assignments.

In addition the Framework Agreement can be used for ad hoc assignments for breakdowns, etc.

The contracting authority reserves the right, however, to announce assignments outside the Framework Agreement; this will particularly apply to major alterations and modifications.

II.1.6. CPV code(s)

50241100 Vessel repair services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Estimated value excluding VAT:

Range: between 40 000 000 and 50 000 000 NOK

Options: yes

Description of options: The contract can be extended for 2 years.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The tenderer must be a legally registered company. Company Registration Certificate from the Brønnøysund Register Centre. Documentation that the company is registered in a trade or company register as mandated in the legislation in the country where the tenderer is established, the documents must be translated to Norwegian by a certified body for carrying out such translations.

Tenderers are required to have paid their taxes and duties. Arrears in taxes and duties will result in rejection.

Norwegian companies shall enclose a tax, payroll tax and VAT certificate. The certificate can be ordered and obtained from Altinn. These certificates must be presented before the tender deadline and must be older than 6 months from the tender deadline. Norwegian tenderers who are not subject to VAT must provide confirmation of this from the National Tax Board. Foreign tenderers must provide equivalent certifications from the provider's home country. Documents should preferably be in Norwegian.

III.2.2. Economic and financial ability

List and brief description of conditions: Credit assessment from an organisation licensed by the Data Protection Authority (Datatilsynet) to conduct credit assessment operations.

The assessment must be based on the last known fiscal figures with an indication of how the credit rating has evolved during the past 2 years.

Minimum level(s) of standards possibly required: Tenderers shall be credit worthy, i.e. rating B or similar.

III.2.3. Technical and professional ability

List and brief description of conditions:

See the qualification documentation point 2.4.
