Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: 1) Tenderers shall be a legally established company.

Documented by:

Norwegian companies: Company registration certificate.

Foreign companies: Documentation proving that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

2) The tenderer must possess competent personnel, documented by:

Account of whether the tenderer possesses competent personnel in accordance with the Research Council of Norway's general provisions for competency and trust. See the document 'Provisions on legal competence and trust' on: www.forskningsradet.no/habilitet

There is also a report on legal competence as regards institutional ownership that can be used for this assessment. See the document: 'The report from the committee that has assessed legal competence and quality in the Research Council of Norway's application process, chapter 6.6.3 Institutional ownership' on the Research Council of Norway's internet site: www.forskningsradet.no/habilitet

III.2.2. Economic and financial ability

List and brief description of conditions: 1) The tenderer must have sufficient financial ability to execute the contractual obligations, documented by:

Credit evaluation/rating, not older than 1 year, and which is based on the last known fiscal figures. The rating shall be carried out by an officially certified credit rating institution. The Research Council of Norway also wishes to obtain own credit assessments where appropriate.

2) The tenderer shall have his tax and VAT payments in order, documented by:

Tax certificate;

VAT certificate (Certificate for paid VAT).

Businesses can order tax and VAT certificates from the 1 place. You can either apply to your local tax collection office or to the tax office. The certificates should not be older than 6 months from the tender deadline. See: www.skatteetaten.no

Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

III.2.3. Technical and professional ability

List and brief description of conditions:

Tenderers must have:

Very good implementation ability and the capacity to carry out the requested services;

A good, well functioning quality assurance system is required, documented by;

A brief description of the tenderer's implementation ability (for the relevant type of assignment) and capacity attached with a report on the company's procedure for quality assurance.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no
