2.1. Procedure

Title: Welfare technological platform (VTP), equipment and services

Description: Gjesdal municipality needs a welfare technological platform (VTP) for a new health centre at Ålgård. VPT shall also be able to cover other units in addition to the health centre. Gjesdal municipality would like a uniform and functional welfare technological platform that stitches together the offered services and systems. The platform shall be cloud based. The contracting authority will have the right, during the contract period, to use services and products that naturally belong to the system, either at the chosen tenderer or outside this agreement. It is a requirement that the system uses open standards to ensure seamless integration with both existing and future technologies and suppliers. Further information on the assignment is in the tender documentation's annex that deals with requirements and needs.
