Title: Manufacture and Installation of Signature Points on the Royal Canal Greenway for Waterways Ireland

Description: Waterways Ireland is in the process of implementing a Visitor Experience Development Plan for the Royal Canal Greenway, which includes a variety of interventions such as formal signage, interpretation and signature points that highlight the stories of the canal. As part of the plan the Paul Hogarth Company was engaged to design abstract sculptural pieces to be placed at four key locations along the canal. These large-scale designs are intended to act as prominent landmarks/signature points. The project is funded by the Just Transition Fund and is subject to a delivery deadline of 31st July 2026 to enable the drawdown of funds. Waterways Ireland is now seeking a supplier to fabricate deliver and install these sculptural pieces as detailed in the Specification at 3.1.
