II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Proof that the tenderer is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement: A credit rating based on the most recent fiscal figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, it can be proved by presenting a declaration from a financial institution on surety.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement 1: Tenderers must have good experience from the implementation of equivalent deliveries/comparable assignments.

Documentation requirement: A list with an overview and description of the tenderer's 3 most relevant assignments during the last 3 years. The list/description ought, as a minimum, contain:

- Name of customer/recipient
- Description of the company's role
- The assignment's value
- Delivery dates
- A brief description of the delivery.

Annex 5 must be used.

Requirement 2: Tenderers must have a well-functioning quality assurance system

Documentation requirement:

- Either: A description of the tenderer's quality assurance methods.
- Or: A copy of a valid ISO 9001 certificate or equivalent standards

Requirement 3: Tenderers must have a good environmental management system.

Documentation requirement:

- Either: A description of environmental management measures that have been implemented in the company.
- Or: A copy of a valid certificate for ISO 14001, Eco-Lighthouses scheme or equivalent standards
