2.1. Procedure

Title: Framework agreement access control systems, keys, locks, fittings and door automation for Hå municipality's properties.

Description: Hå municipality, hereafter called the contracting authority, invites tenderers to a competition for a framework agreement for the delivery and maintenance of access control systems, security systems, keys, locks, fittings and door automation for Hå municipality's properties. The contracting authority intends to enter into a framework agreement with up to three tenderers. The contract is divided into three sub-contracts: Sub-contract 1: Access control systems and security systems
Delkontrakt 2: Door automation
contract 3: Keys, locks and fittings
It is possible to submit tender offers on one or several sub-contracts. If any of the sub-contracts does not receive tenders, the contracting authority reserves the right to engage in dialogue with the winners of the other sub-contracts in order to cover the outstanding need. The contracting authority would like to enter into a framework agreement with tenderers who can cover the municipality's needs in an environmentally friendly and appropriate manner in the contract period.
