

United Kingdom-Harwich: Dredging and pumping works
OJ S 94/2017 17/05/2017
Contract notice – utilities
Works

Legal Basis:

Directive 2014/25/EU

Section I: Contracting entity

I.1. Name and addresses

Official name: Harwich Haven Authority
Postal address: Harbour House, The Quay
Town: Harwich
NUTS code: UKH33 Essex CC
Postal code: CO12 3HH
Country: United Kingdom
Contact person: John Brien
E-mail: harbour.engineer@hha.co.uk
Telephone: +44 1255243030
Internet address(es):
Main address: www.hha.co.uk

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: http://www.hha.co.uk/dredging_tender_2017
Additional information can be obtained from the abovementioned address
Tenders or requests to participate must be submitted to the abovementioned address

I.6. Main activity

Port-related activities

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Harwich Maintenance Dredging Framework 2018 to 2021.

II.1.2. Main CPV code

45252124 Dredging and pumping works

II.1.3. Type of contract

Works

II.1.4. Short description

Maintenance dredging in Harwich and Felixstowe, disposal to sea and to sites in the harbour; small scale plough and agitation dredging; associated hydro-graphic survey.

II.1.5. Estimated total value

Value excluding VAT: 24 000 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: yes
Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Harbour works
Lot No: 1

II.2.2. Additional CPV code(s)

45252124 Dredging and pumping works

II.2.3. Place of performance

NUTS code: UKH33 Essex CC
Main site or place of performance: Harwich and Felixstowe.

II.2.4. Description of the procurement

Dredging maintenance silt from harbour berths and approaches using plough / bed leveller and trailer suction hopper dredger(s) for disposal at sea.
Work is to remove approximately 1 200 000 cubic metres (in-hopper) over a period of 6 months. Lot 1 will also include the possibility of additional dredging as required of fine sand or sand and gravel, carried out in the approach channels and disposed to sea.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 22 400 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/01/2018 End: 31/12/2021
This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Harbour works (Lot 1) will be let as a works package which will be priced by the tenderers appointed onto the framework agreement. Contractors will be selected for the works packages using the criteria of an acceptable programme and plan of operations and on the lowest price. Each works package is intended to cover a period of 6 months but this period may be changed in the light of experience.

II.2. Description

II.2.1. Title

Sediment placement works

Lot No: 2

II.2.2. Additional CPV code(s)

45252124 Dredging and pumping works

II.2.3. Place of performance

NUTS code: UKH33 Essex CC

Main site or place of performance: Harwich and Felixstowe.

II.2.4. Description of the procurement

Dredging maintenance silt from harbour berths and approaches using a small trailer suction hopper dredger for disposal at designated sites in Harwich Harbour as beneficial sediment placements.

Work is to dredge approximately 100 000 cubic metres (in-hopper) of maintenance silt and dispose of in sediment placement sites in the Harbour. The works have to be carried out in 3 separate operations between the beginning of November and the end of April each year.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 1 200 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/01/2018 End: 31/12/2021

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Harbour works (Lot 2) will be let as a works package which will be priced by the tenderers appointed onto the framework agreement. Contractors will be selected for the works packages using the criteria of an acceptable programme and plan of operations and on the lowest price. Each works package is intended to cover a period of 6 months but this period may be changed in the light of experience.

II.2. Description

II.2.1. Title

Minor works

Lot No: 3

II.2.2. Additional CPV code(s)

45252124 Dredging and pumping works

II.2.3. Place of performance

NUTS code: UKH33 Essex CC

Main site or place of performance: Harwich and Felixstowe.

II.2.4. Description of the procurement

Deployment of water injection or other approved equipment for dredging in shallow areas including marina channels, areas of restricted access and around and under pontoons.

Work is expected to take approximately 20 tides (6 hour periods around high water) but could be extended as required. This work is currently undertaken once per year in the early spring.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 320 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/01/2018 End: 31/12/2021

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Harbour works (Lot 3) will be let as a works package which will be priced by the tenderers appointed onto the framework agreement. Contractors will be selected for the works packages using the criteria of an acceptable programme and plan of operations and on the lowest price.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Information is set out in the document 'Instructions for Framework Submission'.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must provide the following (further information is set out in the 'Instructions for Framework Submission' document in particular at paragraph 12 of that document);

a) Details of financial status including annual reports and accounts for the past 4 years — in the case of joint ventures, for each participant.

b) Details of parent company endorsement and guarantees as appropriate.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must provide the following (further information is set out in the 'Instructions for Framework Submission' document in particular at paragraph 12 of that document);

- a) Details of vessels likely to be used to provide the Service, including relevant Lots;
- b) Staff resource and skills, including curriculum vitae of key staff, for each relevant Lot;
- c) Office and administrative support;
- d) Technical and operational support;
- e) Yard and stores location as relates to the ease and speed of equipment and parts supply;
- f) Health, safety and environmental policies and commitments — details of formal Quality and HSE systems and policies in place;
- g) Similar experience on maintenance dredging in the United Kingdom and north western Europe or technically similar areas completed in the last 5 years. (Harwich Haven Authority may take up client references and accordingly Suppliers must provide relevant contact details).

III.1.6. Deposits and guarantees required

See the 'Instructions for Framework Submission' document, in particular at paragraph 12 of that document.

III.1.7. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Payment will be made on monthly invoices during the period of each works package. All payments in GBP.

III.1.8. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

A consortium shall identify a lead contractor. Harwich Haven Authority may require a consortium to form a special purpose vehicle before entering into a framework agreement or a works package.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement
Framework agreement with several operators
Envisaged maximum number of participants to the framework agreement: 12

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 14/07/2017 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4.

Languages in which tenders or requests to participate may be submitted
English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender
Duration in months: 6 (from the date stated for receipt of tender)

IV.2.7. Conditions for opening of tenders

Date: 14/07/2017 Local time: 12:01

Place:

Harwich Haven Authority, Harbour House, The Quay, Harwich, CO12 3HH.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

VI.3. Additional information

For the avoidance of doubt, this notice is for the establishment of a framework agreement. Tenderers will be selected onto the framework agreement using quality criteria which are defined in the documentation.

Tenderers which are appointed onto this framework will be invited to bid for work packages for maintenance dredging operations in Harwich Harbour and approach channel. The framework is intended to last for 4 years (unless cancelled earlier) and work packages are expected to cover periods of 6 months, though this period may be changed in the light of experience and at Harwich Haven Authority's sole discretion. As all the contract details and conditions are included in the framework documentation, tenderers will be given a limited period of time to bid for works packages and orders will be placed without further OJEU notices or stand-still periods.

Contractors will be selected for the work packages as set out in the Framework Contract Schedule 4 — Selection Procedure.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Royal Courts of Justice

Postal address: The Strand

Town: London

Postal code: WC2A 2LL

Country: United Kingdom

VI.5. Date of dispatch of this notice

12/05/2017
