**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

The procurement involves the establishment of a framework agreement

**II.1.4. Short description of the contract or purchase(s)**

The Framework Agreement will be available to ALL public sector Contracting Authorities in

general as defined at Part 1, paragraph 2 of the Public Contracts Regulations 2015, all public sectors requiring access to this framework agreement are detailed in the OJEU notice (Client Organisations). The main aim of the framework is to introduce competition in to the market alongside existing consortia framework providers. The framework will allow Client Organisations to direct appoint a Contractor or appoint following a further competition. (Further details will be provided within the specification)

The framework will be available for all Academies, main stream Schools and Colleges still under Local Authority control to use and will be open to use by all other public sector bodies in the UK. The main aim of the framework is to introduce competition and give a European Procurement Regulations Compliant route to market for all public sector bodies to use.

The framework agreement will be open for the use of all UK Public Sector Bodies to include but not limited to; The Science and Technology Facilities Council, The Medical Research Council, The Engineering and Physical Sciences Research Council, The Economic and Social Research Council, The Natural Environment Research Council, The Arts and Humanities Research Council, The Biotechnology and Biological Sciences Research Council, The UKSBS Ltd, Central Government Departments and their Agencies, Non Departmental Public Bodies, NHS bodies, Local Authorities, Voluntary Sector Charities, and/or other private organisations acting as managing agents or procuring on behalf of these UK bodies.

Central Government Departments, Local Government and Public Corporations that can be accessed at the Public Sector Classification Guide
