Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The procurement falls outside the scope of application of the directive

Explanation:

Justification for the choice of the negotiated procedure without publication of a call for competition in accordance with Article 28 of Directive 2009/81/EC.

It is considered that this Contract can be placed using the Negotiated Procedure Without Prior Publication of a Contract Notice pursuant to Article 28(1)(e) of Directive 2009/81/EC (Regulation 16(1)(a)(ii) of the United Kingdom Defence and Security Public Contracts Regulations 2011) for technical reasons and for reasons connected with the protection of exclusive rights. This is because Zodiac Aerosafety Systems has an exclusive right to the design and manufacture of the goods and has not assigned this right to the MOD or any third party.

In addition, it is considered that this Contract can be placed using the Negotiated Procedure Without Prior Publication of a Contract Notice pursuant to Article 28(3)(a) of Directive 2009/81/EC (Regulation 16(1)(b)(i) of the United Kingdom Defence and Security Public Contracts Regulations 2011) for the purchase of additional goods. This is because the goods are to be

provided in addition to existing supplies and a change in supplier would oblige MOD to acquire goods with different technical characteristics, which would result in incompatibility with the supplies already in service.
