II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

An important part of the National Library of Norway's activity is to highlight the material in the collection in a manner that captures the interest of the public. Based on this the National Library of Norway publishes books for the general public It is presumed that these products are of high quality and communicate well with the public.

In the work of making books, the National Library of Norway needs stable and certain access to printing services for the production of books. Based on this, the National Library of Norway invites tenderers to an open tender competition on the awarding of framework agreements for printing services for production of books. The framework agreements shall cover our need for printing of books. For more information about these product categories, see Annex A — Requirement Specification.
