Section II: Object

II.1. Scope of the procurement

II.1.1. Title

219660 Innovation Partnership — Smart Vinterveg

Reference number: 2020/3203

II.1.2. Main CPV code

73000000 Research and development services and related consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

Hamar, Ringsaker, Lillehammer and Gjøvik Municipalities have established a co-operation for the implementation of a tender contest regarding an innovation partnership where the objective is to find solutions for better and more efficient ways for winter operations of roads and properties.

The municipalities have been awarded NOK 14 000 000 from Innovation Norway for implementation of the innovation partnership.

II.1.5. Estimated total value

Value excluding VAT: 16 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45233141 Road-maintenance works, 48000000 Software package and information systems, 72000000 IT services: consulting, software development, Internet and support, 72421000 Internet or intranet client application development services, 73300000 Design and execution of research and development, 90620000 Snow-clearing services

II.2.3. Place of performance

NUTS code: NO022 Oppland

Main site or place of performance: Hamar, Ringsaker, Lillehammer, Gjøvik.

II.2.4. Description of the procurement

The objective of the contest is to enter into a contract with a development partner who, through close cooperation with the contracting authority, shall develop a system that meets the contracting authority's need for smart winter operations with effective planning and the right information.

The need for winter operations of roads and properties includes:

- the planning of winter operations;
- commissioning and startup of operational assignments;
- implementation of operational assignments (snow clearing and gritting);
- providing information to the public and interested parties;
- follow-up contracts and administration.

For further descriptions, refer to the attached tender documentation with related attachments. See also the website of the project for further background information (www.smartemjosbyer.no).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 16 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 18

This contract is subject to renewal: no

II.2.9.

Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3 Maximum number: 6 Objective criteria for choosing the limited number of candidates:

See the selection criteria given in point 6 of the tender documentation.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Option for purchasing ready developed solutions.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.
