VI.3. Additional information

The non-confidential part of the tender package is directly available to applicants via the weblink mentioned under section I.3) of the contract notice.

For getting access to the confidential part of the tender package, applicants are required to request the access to the tender platform by sending an e-mail to the e-mail address mentioned in section I.1 of the contract notice, providing the following information:

- Name of the candidate (and for legal entities, including the company form);
- Address of the candidate;
- VAT number of the candidate; and
- Information of the contact person for the tender (name, e-mail address and telephone number).
- A fully completed and signed NDA document in attachment as provided at the SharePoint location mentioned in the above section I.3).

Information to access the tender on the Ariba platform will be provided by e-mail as soon as possible.

Applicants are advised to request this access as soon as possible and to click on 'intend to participate' in Ariba in order to receive possible clarifications from the contracting entity.

The applicant must request, complete and submit by the closing date (see IV.2.2.) the selection questionnaire (SQ) with the most current available data together with the requested documents.

Contracting entity doesn't guarantee to provide the Ariba login details before closing time for candidates requesting their access to Ariba less than 48 hours before closing time.

The applicant is solely responsible for requesting the access to the tender on the Ariba platform on time.

The contracting entity declines any responsibility in the event of problems with the Ariba platform.

Any application not sent correctly via Ariba will be rejected.

The manuals for usage of E-Sourcing (Ariba) can be found via the following URL: <http://www.elia.be/en/suppliers/information-and-tools-for-suppliers#ariba>

Fax: +49 3090137613

Internet address: <http://www.berlin.de/sen/wirtschaft/wirtschaft-und-technologie/wirtschaftsrecht/vergabekammer/>

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

Precise information on deadline(s) for review procedures:

The application for review proceedings before the public procurement tribunal is inadmissible if:

- 1) The applicant became aware of the claimed violation of public procurement provisions before filing the application for review, but did not complain to the contracting authority within a time limit of 10 calendar days; the expiry of the time limit under § 134(2) remains unaffected;
- 2) Violations of public procurement provisions which become apparent from the tender notice are not notified to the contracting authority by the end of the time limit for the application or the submission of a tender specified in the notice;
- 3) Violations of public procurement provisions which only become apparent from the procurement documents are not notified to the contracting authority by the end of the time limit for the application or the submission of a tender specified in the notice;
- 4) More than 15 calendar days have expired since receipt of notification from the contracting authority that it is unwilling to redress the objection.

Sentence 1 shall not apply to an application under § 135(1) No 2 to have the contract declared ineffective. § 134(1) sentence 2 shall remain unaffected.

VI.5. Date of dispatch of this notice

04/04/2022
