II.1.4. Short description

Background: Enova has awarded Bergen og Omland Havnevesen 16 100 000 NOK to develop 3 new land electricity facilities for supply boats. The Enova resources will first enable the development of new electric land facilities for supply boats at Dokken, Nykirkekaien and Festningskaien. There are already three electric land facilities for offshore at Skolten. The aim is between 6 and 9 ready developed facilities in 2018.

The procurement's purpose and content: BOH aims to enter into framework agreements for the delivery and assembly of equipment for complete electric land facilities. Delivery will first

be to the stated points at Dokken, Nykirkekaien and Festningskaien. Future electric land facilities will depend on the contracting authority's budget situation and future grants from Enova. The procurement does not include cable handling equipment up to ships. This will be announced in a separate competition.
