III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

See the tender documentation Part I, Point 4.1; the tenderer must be a legally registered business.

Foreign tenderers must present documentation that confirms that the company is legally registered in its home country. Norwegian tenderers do not need to document fulfilment of this requirement beyond the presentation of tax and VAT certificates, cf. the information below. The contractor shall meet the requirements of norwegian legislation with regard to health, safety and the environment.

HSE declaration filled in and signed.

The ethical self-declaration must be signed.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

See the tender documentation, Part I, Point 4.1.

The contractor shall have their tax and duty payments in order.

Tax certificate RF 1244 (for tax, advance tax deduction, arrestment of wages, payroll tax).

Issued by the director of the Tax Collection Office/chief municipal treasurer where the tenderer has his head office.

VAT certificate RF 1244 is issued by the tax collector in the county where the tenderer has his head office.

The certificates should be no more than six months old from the tender deadline.

Good economic and financial capacity.

Minimum level(s) of standards possibly required:

The tenderer shall not have any tax and duty payment arrears.

In the assessment of whether the tenderer has sufficient economic and financial solidity to fulfill the contractual obligations, the contracting authority will i.a. place emphasis on whether the tenderer has profitable operations, positive cash flow in the last year and positive equity.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

See the tender documents Part I, Point 4.

Adequate capacity.

Adequate experience from similar contracts.

The tenderer must have an agreement for delivering waste and this must be verified by presenting the agreement with the environmental station/waste management company.

1. Heavy vehicles, tractors and machinery must meet the requirements of Euro VI from 1 January 2014 regarding emission requirements for heavy vehicles;

1. Euro VI see table g/km, normal operation.
