General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Consultant Contracts — Analysis of Crude Oil and the Natural Gas Liquid Market (NGL)

Reference number: 21/269

II.1.2. Main CPV code

71620000 Analysis services

II.1.3. Type of contract

Services

II.1.4. Short description

The purpose of the assignment is to give the Secretariat to Petroleumsprisrådet (PPR) in Olje- og energidepartementet (OED) (the Petroleum Price Board in the Ministry of Petroleum and Energy) advice about development in the oil and natural gas liquid market (NGL), including market analysis of the different crude oil and natural gas liquid qualities relevant to the valuation of Norwegian crude oil and natural gas liquid. This includes evaluation of oil and natural gas liquid price information, analysis, and other reports etc. connected to the markets for crude oil, oil and natural gas liquid products. The consultant must be able to give advice about market value for different crude oil and natural gas liquid qualities in a report that will be delivered each quarter.

The Ministry uses these types of services primarily for the secretariat's work (PPR). For all relevant sales, PPR sets standard prices (tax reference prices) for the Norwegian crude oil and natural gas liquid qualities on a quarterly basis.

II.1.5. Estimated total value

Value excluding VAT: 6 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 2

II.2. Description

II.2.1. Title

Consultant contract Concerning Crude Oil Market Analysis

Lot No: 1

II.2.2. Additional CPV code(s)

73000000 Research and development services and related consultancy services, 76000000 Services related to the oil and gas industry, 76200000 Professional services for the oil industry

II.2.3. Place of performance

NUTS code: NO081 Oslo

Main site or place of performance: Oslo.

II.2.4. Description of the procurement

The purpose of the assignment is to give the Secretariat to the Petroleum Price Board (PPR) in the Ministry of Petroleum and Energy (OED) advise about development in the oil market, including market analysis of the different crude oil qualities relevant to the valuation of Norwegian crude oil. This includes evaluation of oil price information, analysis, and other reports etc. connected to the markets for crude oil and oil products. The consultant must be able to give advice about market value for the different crude oil qualities in a report that will be delivered each quarter.

The Ministry uses these types of services primarily for the secretariat's work (PPR). For all relevant sales, PPR sets standard prices (tax reference prices) for the Norwegian crude oil and natural gas liquid qualities on a quarterly basis.

II.2.5.

Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 3 400 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/07/2021 End: 01/07/2024

This contract is subject to renewal: yes

Description of renewals:

The contracting authority retains the right to extend the contract period for a period of up to one (1) year on verbatim terms.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority retains the right to extend the contract period for a period of up to one (1) year on verbatim terms.

The contracting authority may also request that additional consulting services be performed by the supplier in connection with each individual lot and compensated separately for up to NOK 200 000 excluding VAT per year for each lot. These additional services can involve a through analysis of topics of interest to the contracting authority in accordance to the specifications for the lots. It is highly uncertain whether any of the alternatives for additional services will be exercised.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

II.2. Description
