ATT reserve the right to award full, partial or no contract as a result of this tender.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

All parties wishing to tender must be OFGEM registered and hold a GB electricity supply licence.

(1) All candidates must comply with the requirements of the State in which they are established, regarding registration on the professional or trade register.

(2) Any candidate found to be guilty of serious misrepresentation in providing any information required, may be declared ineligible and not selected to continue with this procurement process.

(3) All candidates will have to demonstrate that they are licensed, or a member of the relevant organisation, in the State where they are established, when the law of that State prohibits the provision of the services, described in this notice, by a person who is not so licensed or who is not a member of the relevant organisation.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

All contract end dates are to align on 31.8.2019.

Cost is to be calculated on industry data (i.e. National Grid gas AQ or actual HH data provided) to ensure fair comparison. For NHH sites the EAC provided must be used.

If the contract does not meet the description ATT reserve the right to either discount the tender or estimate true cost plus 10 % for comparison purposes.

Provision of consumption, billing and related energy charges data and information to be provided to the end users' energy procurement consultant on a monthly basis in an electronic format (Ginger Energy).

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

Date: 19/06/2017 Local time: 17:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.7. Conditions for opening of tenders

Date: 20/06/2017 Local time: 09:00

Place:

Ginger Energy Ltd, The Cloisters, 12 George Road, Birmingham, B15 1NP.

Information about authorised persons and opening procedure: To be opened by Chris Felgate (Director — Ginger Energy) and Andy Poxon (Director — Ginger Energy). To be opened from online portal in isolation to ensure data security. The financial elements will be randomly allocated to either of the aforementioned parties for scoring in isolation to ensure that no undue treatment is allocated to any tender.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: yes

Estimated timing for further notices to be published:

Estimated timing for further notices to be published is quarter 4 2018 or quarter 1 2019.

VI.2. Information about electronic workflows

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information

Additional considerations that will be taken into account for scoring purposes are (in no particular order and non exclusively):

1. The ability of the supplier to install NHH AMR technology to all NHH supply points on a cost neutral basis.
2. Inclusion of a volume tolerance of a minimum of 30 % variance reconciled at group level not site level.
3. Availability of electronic invoice data.
4. Evidence of processes to ensure accurate billing and processes with SLA's to rectify billing inaccuracies.
5. Availability of an online portal providing invoice, consumption and payment data.
6. Evidence of effective management of regulatory change including consultations that are yet to be ratified.
7. Ease with which additional sites can be linked to the group or removed if they leave the ATT portfolio.
8. Provision of annual statement of cost and usage at group and site level.
9. All billing to be issued under one consolidated invoice to head office. Consolidated invoice to have one reference against which payment can be made with supporting data to breakdown liability of sites.

10. 1 monthly payment for above consolidated invoice, payable via BACs.
 11. Payment terms requested for minimum of 21 days.
 12. Explanation and risk exposure of contractual status of Capacity Mechanism, Energy Intensive Industries and renewal of P272 sites.
 13. Other additional features offered that add value to the service provision.
- Commission is to be included at 0.2p/kWh payable to Ginger Energy Ltd.

Note: To register your interest in this notice and obtain any additional information please visit the myTenders Web Site at http://www.myTenders.org/Search/Search_Switch.aspx?ID=197851

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at http://www.myTenders.org/sitehelp/help_guides.aspx
Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems. (MT Ref:197851).

VI.4. Procedures for review

VI.4.1. Review body

Official name: Academy Transformation Trust
Postal address: Room 501, One Victoria Square
Town: Birmingham
Postal code: B1 1BD
Country: United Kingdom
E-mail: chris.felgate@gingerenergy.co.uk
Telephone: +44 7788534552
Internet address: <http://www.academytransformationtrust.co.uk>

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

The award of the contract will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

VI.4.4. Service from which information about the review procedure may be obtained

Official name: Ginger Energy Ltd
Postal address: The Cloisters, George Rd
Town: Birmingham
Postal code: B15 1NP
Country: United Kingdom
