Section II: Object

II.1. Scope of the procurement

II.1.1. Title

PR3959 — Integrated Dermatology Services — NMUH

Reference number: DN337656

II.1.2. Main CPV code

85121000 Medical practice services

II.1.3. Type of contract

Services

II.1.4. Short description

Integrated dermatology service aims to provide patients with a high quality, safe and efficient service which improves outcomes, making best use of available resources. This integrated dermatology service will include, but not be limited to, provision of all dermatological care for patients at the hospital described in the model, including the provision of related demand management and triage, e.g. teledermoscopy or another triage model to deliver these outcomes, and dermatology related cancer and plastics services. This service model will be supported by patient-focused outcomes based on incentivised prime contractor or integrator model. The Provider will be accountable for the delivery of high quality patient focused clinical care that empowers patients to manage their health as well as being accountable for the financial management of all dermatology care, which will be delivered within the total budget made available by the Commissioner to the contract holder, the Provider.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

85100000 Health services

II.2.3. Place of performance

NUTS code: UK United Kingdom

II.2.4. Description of the procurement

The overarching aim of the integrated dermatology service is to provide patients with a high quality, safe and efficient service which improves outcomes, making best use of available resources.

This integrated dermatology service will include, but not be limited to, provision of all dermatological care for patients at the hospital described in the model, including the provision of related demand management and triage, e.g. teledermoscopy or another triage model to deliver these outcomes, and dermatology related cancer and plastics services. This service model will be supported by patient-focused outcomes based on incentivised prime contractor or integrator model. The Provider will be accountable for the delivery of high quality patient focused clinical care that empowers patients to manage their health as well as being accountable for the financial management of all dermatology care, which will be delivered within the total budget made available by the Commissioner to the contract holder, the Provider.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

Two 12 month extension options with a solution to terminate if there is a possible transaction (i.e. if the Trust is acquired by another NHS Trust, but this will only apply if there is an acquisition).
