Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Strategic review of the Norwegian Institute of Marine Research

Reference number: 23/48, 21/5482

II.1.2. Main CPV code

73200000 Research and development consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The assignment is to carry out a strategic review of the overall management and framework conditions at the Norwegian Institute of Marine Research [Havforskningsinstituttet] in light of developments over the past 10 years. The Institute's performance of its role and fulfilment of its social mission is part of the assignment.

The assignment involves a thorough area review of the drivers and developments for marine management and research, both nationally and internationally. The assignment requires considerable knowledge of governmental administration and budgeting systems, in-depth national and international knowledge of marine environment and resource management, including safe and healthy seafood, marine research, research funding systems, technology and infrastructure, etc.

The estimated value of the contract is from NOK 2,000,000 excluding VAT to NOK 2,500,000 excluding VAT. The estimated value is not binding for the contracting authority.

The assignment will take place within one year of contract commencement.

II.1.5. Estimated total value

Value excluding VAT: 2 500 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirements: Tenderers must be a legally established company.

Documentation:

Norwegian companies: Company registration certificate or a printout from the Unit Register for sole proprietorships not required to register.

Foreign tenderers: Verification that the tenderer is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. The verification can be submitted in writing or by referring to BRIS.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Paid taxes and duties.

Documentation:

A certificate, not older than 6 months, which verifies that the tenderer has fulfilled the obligations of payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

Requirement: Tenderers must be able to show adequate economic and financial capacity for the delivery.

Documentation:

A credit rating with key figures from a recognised credit assessment company, or other form of documentation to verify that the requirement has been met.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient ability and experience to carry out the delivery.

Documentation:

A description of the tenderer's three most relevant assignments in the last three years, together with information about the contracts values, dates of deliveries or executions and names of recipients. Relevant assignments means: Studies of government management, including government administration and budgeting systems. Tenderers are responsible for ensuring that the description is of such a nature that it verifies that the requirement has been met.
