### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

The tenderer should submit information concerning the financial standing in the form of equity and equity ratio (equity/balance sum) at the end of latest annual reporting period or later.

The successful tenderer will be requested to provide proof in the form of approved annual report, auditors declaration or similar.

Minimum level(s) of standards possibly required:

The tenderer should possess economical and financial capacity at the following level:

- equity at the end of latest annual reporting period > DKK 300 000;
- equity ratio (equity/balance sum) at the end of latest annual reporting period >15 %.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

The tenderer should submit information concerning similar contracts carried out during the latest 3 years.

For each reference contract, please give a short description proving the similarity with the actual tendered contract, stating the date of the delivery, contract value, official name of the purchaser, and a name of a contact person who can verify the reference information on behalf of the purchaser. The contracting entity reserves the right to reject references, which cannot be verified.

Minimum level(s) of standards possibly required:

The tenderer should possess technical and professional ability at the following level:

- references from at least 2 previously fulfilled contracts with similar scope as the actual tendered contract, with substantial parts of delivery performed within the latest 3 years. The number of reference projects are limited to a maximum of 5.

### **III.1.6. Deposits and guarantees required**

According to contract form included in tender documents.

### **III.1.7. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

Please refer to payment plan in the contract form.

### **III.1.8. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

A group of operators should accept joint and several liability for the fulfilment of the contract obligations, and all group members should give power of attorney to one single person to act and bind legally on behalf of all members of the group.

## **III.2. Conditions related to the contract**

### **III.2.2. Contract performance conditions**

Please refer to the contract form.

## **Section IV: Procedure**

---
