## **Section IV: Procedure**

---

### **IV.1. Description**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions stated in the directive

Explanation:

The circumstances which justify the use of the negotiated procedure under Point 11.1(e) Annex 1 of the Financial Regulation are:

- 1) The ceiling increase concerns the procurement of new services consisting of the repetition the same/similar services which conform to the basic contracts awarded in an open procedure;
- 2) The initial tender specifications of the call for tenders DIGIT/A3/PO/2017/022 indicated the volume of the possible ceiling increase and the conditions under which it may be awarded;
- 3) The procedure can only be used during the first 3 years after the conclusion of the contract. As the framework contracts with the contractors on both Lots 1 and 3 were signed on the 2 July 2018, the use of the negotiated procedure under the said provisions of the Financial Regulation is possible until the 1 July 2021.
