II.1.4. Short description

Lotteri- og stiftelsestilsynet is, as a government entity, obliged to use the Framework Agreements that Statens innkjøpssenter / Difi enters into for, amongst other things, IT. These contracts are being formulated and we expect that there will be a development in the content in the coming period. See www.anskaffelser.no/statens-innkjopssenter

The contracts under Statens innkjøpssenter do not meet all our needs. This tender contest is for equipment and services connected to operation, which is not covered by Statens innkjøpssenter's Framework Agreements.

The competition is for a Framework Agreement for the procurement of the following:

- IT equipment (server room, network operation),
- IT software,
- IT services.

Daily IT operations are carried out by our employees. However we procure services when required. Experience and competence to provide the specified services are an important part of the basis.

Separate contracts can be signed within the Framework Agreement for stand-by, service, maintenance and other services.
