II.2.3. Place of performance

NUTS code: NO0A2 Vestland

Main site or place of performance: Vestland County (VLFK)

II.2.4. Description of the procurement

Skyss would like tenders for a digital flexible transport booking system. The goal is that the system will be a permanent system in Skyss' system architecture and will be a complete system for handling transport bookings and automatic transport planning. The procurement also has an option for a planning and analysis module, which tenderers can offer if they have developed this. This module will not be weighted when the tenders are evaluated. The contract duration will be 3 (three) years calculated from the delivery day. The contract will then be automatically renewed for 1 (one) year at a time, unless 3 (three) months notice is given by the contracting authority before the renewal date. The tenderer can terminate the contract with 12 (twelve) months notice prior to the contract renewal.

II.2.5. Award criteria

Quality criterion - Name: Integration and data flow. / Weighting: 45

Quality criterion - Name: Customer platform and interface for a customer centre. / Weighting: 15

Price - Weighting: 40

II.2.11. Information about options

Options: yes

Description of options:

The procurement also has an option for a planning and analysis module, which tenderers can offer if they have developed this. This module will not be weighted when the tenders are evaluated.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Competitive procedure with negotiation

Country: Canada

The contractor is an SME: yes

V.2.4. Information on value of the contract/lot

Initial estimated total value of the contract/lot: 5 000 000,00 NOK

Total value of the contract/lot: 5 000 000,00 NOK

V.2.5. Information about subcontracting

Section VI: Complementary information

VI.3. Additional information

The procurement will start with this qualification.

In this phase we will assess tenderers' qualifications. All qualified tenderers will be invited to submit a tender in the contest.

All invited tenderers that then submit a tender will have them evaluated before the contracting authority sends out invitations to negotiations. The negotiations can be held in several phases in order to reduce the number of tenders that are negotiated. An initial reduction of the tenders can be made prior to the negotiations. The reduction of the number of tenders that will be negotiated will be based on an assessment of the award criteria, cf. cf. the Public Procurement Regulations § 23-11.

The contracting authority reserves the right not to negotiate on tenders that are not assessed to be appropriate, cf. Public Procurement Regulations § 23-7 (5).
