II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 5

In the case of framework agreements, provide justification for any duration exceeding 4 years: Different suppliers of volume and spray pumps are a risks for the medication management, therefore we are extending the duration. Equipment dedicated consumables cannot be bought from other suppliers and an agreement regarding this must therefore be signed for the lifetime of the equipment.

II.1.5. Short description of the contract or purchase(s)

Mid Norway Regional Health Authority (Helse Midt-Norge RHF) invites tenderers to a competition for procurement of new spray and volume pumps. The pumps shall be used in different departments and treatment environments. Therefore we want tender offers on pumps that can cover the need for both advanced use such as for example anaesthesia and intensive care, and simpler use in the wards, day units, out-patient clinics and pre-hospital services. The objective of the procurement is to establish a framework agreement for the named pumps for the whole of the Mid-Norway Regional Health Authority. This includes all locations such as Volda, Ålesund, Molde, Kristiansund, Røros, Orkdal, St Olav, Levanger and Namsos. In addition a framework agreement shall be established for consumables.

The Contracting Authority uses Merccell Sourcing Service. To express your interest and gain access to any documents, please click on the link below or copy and paste the link into your browser (<http://permalink.merccell.com/59280514.aspx>). Then follow the instructions on the website.
