VI.3. Additional information

The successful contractor's performance on this contract will be managed as per the specification and regularly monitored (see Procurement Guidance Note 01/12 — Contract Management — Procedures and Principles). Contractors not delivering on contract

requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a notice of unsatisfactory performance and this contract may be terminated. A central register of such notices for supplies and services contracts will be maintained and published on the CPD website. Any contractor in receipt of a notice of unsatisfactory performance will be required to declare this in future tender submissions for a period of 3 years from the date of issue of the notice. It may also result in the contractor being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy.

VI.4. Procedures for review

VI.4.1. Review body

Official name: The UK does not have any special review body with responsibility for appeal /mediation procedures in public procurement competitions. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCRs 2015

Town: NA

Country: United Kingdom

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

CPD complied with the Public Contracts Regulations 2015 and incorporated a standstill period of 10 calendar days at the point information on the award of contract is communicated to tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract is entered into.
