Works

Realisation, by whatever means of work, corresponding to the requirements specified by the contracting entities

Main site or place of performance: Dungannon, Coalisland, Cookstown, Magherafelt, Omagh, Enniskillen and Derrylin.

NUTS code IE Éire / Ireland

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

This Contract Notice has been issued by the Authority, SGN Commercial Services Limited (SGN), in connection with a competitive procurement event conducted in accordance with the

Negotiated Procedure under the Utilities Contracts Regulations 2016 (No 274).

This Contract Notice sets out the information which is required by the Authority in order to assess the suitability of potential Applicants in terms of their suitability, competence, experience and capability to meet the requirement.

This Contract Notice is for the construction of 78km HP pipeline with seven associated Above Ground Installations (AGI's) including 4 Pressure Reduction Stations (PRS's) facilitating the supply of natural gas to the city gates of Dungannon, Cookstown, Magherafelt, Omagh, Enniskillen and Derrylin.

SGN intends to engage 1 contractor for the construction of this 78km HP pipeline together with 7 associated Above Ground Installations (AGI's). Construction is expected to commence either in Q1 2017 and be completed in 1 construction season with gas on by the end of December 2017 or alternatively commence during Q2 2017 and be completed during the period Q2 — Q4 2018. All works will be in accordance with Gas Industry, Institution of Gas Engineers and Managers (IGEM) standards, SGN and Transco specifications.

These works will involve approximately 27km of 400mm diameter grade L360/L450 steel from Portadown to Dungannon and approximately 51km of 300mm diameter grade L360/L415 steel from Dungannon to Tullykenneye. A proportion of this line-pipe to be installed will be heavy wall as determined by IGEM/TD/1 as appropriate. Along the route there are approximately 92 road crossings, 42 river crossings and 1 crossing of a disused railway.

In addition the construction of an HP Offtake facility at Portadown at the location where the new pipeline is fed from the existing South North Pipeline through the exiting Derryhale PRS. Of the 7 AGI's to be constructed, 3 shall be HP-IP Pressure Reduction Stations (PRS's) at Dungannon, Tullybroom and Tullykenneye to supply the IP networks that feed the towns of Dungannon, Coalisland, Cookstown, Magherafelt, Omagh, Enniskillen and Derrylin.

The work will also necessitate the construction of three block valve sites (1 of which also includes a pig trap facility).

The form of contract shall be the NEC3 Option A with Z clauses.

All parties wishing to take part shall confirm their interest by email to es.procurement@sse.com and refer to the Gas to the West Project Portal at <https://sgnnaturalgas.co.uk/gas-to-the-west-supplier-portal/16.0124> PQQ/ where a Pre-Qualification Questionnaire (PQQ) can be downloaded. The PQQ has instructions for completion and submission according to a specific deadline.

Failure to respond by this deadline may result in the applicant not being invited to participate further.

II.1.6. CPV code(s)

65200000 Gas distribution and related services, 45230000 Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

II.2. Scope of the procurement

II.2.1. Total quantity or scope

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions:

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

III.2.2. Economic and financial ability

III.2.3. Technical and professional ability

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: yes

Reference to the relevant law, regulation or administrative provision:

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: yes

Additional information about electronic auction:

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

16.0124

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

29.6.2016 - 12:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

9.6.2016
