Main site or place of performance: Bristol, City of.

II.2.4. Description of the procurement

The Operational Infrastructure Programme (OIP) Team within the MOD has identified a potential requirement to procure a tri-service re-deployable tentage shelter solution, which can be interchangeable with current in-service General Service tentage.

The re-deployable solution must include (but not limited to) the following characteristics:

- Modular and interconnecting;
- Available in varying pre-defined sizes;
- Fire retardant;
- Waterproof;
- Durable to withstand extremes of climate and heavy repeated usage;
- Suitable for accommodation and general purpose use.

Contract duration shall be for a period of four (4) years. The anticipated value of work under the contract shall be in the region of 9 500 000 GBP.

The tender shall be assessed on the most economically advantageous tender criteria following down selection to a maximum of 6 suppliers by use of DPQQ in accordance with the Restricted procedure.

Electronic copies of draft tender documentation for OIP/0034 is included for information in accordance with PCR 2015. Electronic copies are provided with the DPQQ attached to this notice. These documents are offered for information only, you may provide comment on the draft documents but do not respond to them. Any comments provided to the Authority shall be considered for inclusion into the formal ITT. All comments must be provided by the DPPQ return date. You should only submit a response to the DPQQ. Formal ITT will be issued in accordance with dates included in the draft ITT.

The Authority will use the DPQQ responses to create a short-list six (6) tenderers who:

1. Achieve a 'pass' for DPQQ question 1 (Accreditation);
2. Achieve at least a minimum 'satisfactory' score for all other questions;
3. The highest ranking (up to 6) scores (including weighting) will be taken through to the ITT stage;
4. In the event of a tied score for the 6th position, the Authority will take all suppliers receiving that same score through to the ITT stage.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

VI.3. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at: www.contracts.mod.uk The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

From 2.4.2014, the Government is introducing its new Government Security Classifications Policy (GSC) to replace the current Government Protective Marking Scheme. A key aspect of this is the reduction in the number of security classifications used. All suppliers to the Department are encouraged to make themselves aware of the changes as it may impact on this Requirement. The link below to the Gov.uk website provides information on the new GSC.

<https://www.gov.uk/government/publications/government-security-classifications>

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.
