Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: Il s'agit d'une procédure avec négociation en application de l'article R.2124-3 4°) du Code de la commande publique. En effet, le présent contrat ne peut pas être attribué sans négociation préalable du fait de circonstances particulières liées à sa nature, à sa complexité et au montage juridique et financier et en raison des risques qui s'y attachent (voir article 2.1 du RC pour plus de détails). De ce fait, la procédure se déroulera en deux phases : une phase candidature à l'issue de laquelle les candidatures jugées recevables seront admises à la phase offre. Si le nombre de candidats satisfaisant aux critères de sélection est inférieur à 3, le pouvoir adjudicateur peut poursuivre la procédure avec ces candidats. Les variantes sont indiquées comme autorisées car suite aux séances de négociation, les candidats pourront être éventuellement invités à remettre une offre variante (cf. article 2.3 du RC). Toutefois, la présentation de variante pour l'offre initiale est interdite.

Il s'agit d'un accord-cadre à marchés subséquents multi-attributaire (5 titulaires par lot) sans minimum avec un montant maximum. Le premier marché subséquent prendra la forme d'un accord-cadre à bons de commande pour certains lots mono-attributaire et d'autres multi attributaire avec une méthode d'attribution des bons de commandes en cascade.
