Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Project and test manager PTS 2013.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 7: Computer and related services

Main site or place of performance: Oslo, Norway.

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The project was initiated in October 2011 and shall be completed during November 2013. In this period the Awarding Authority expects the requirement for a project manager will be 70 % position but the requirement may in periods be lower and considerably higher than 70 % during the various stages of the project.

The test management position will be more than 50 % for stages found relevant. The project management and test management assignments will be executed simultaneously. The service provider must propose a dedicated resource person available for the assignment as soon as possible from contract signing; estimated to August 2012.

The service provider must substantiate experience and suitability by presenting CV, description of previous assignments as well as references in order to render probable that the person concerned is the best qualified candidate. Further descriptions of assignments and description of functions are given in attachments.

Note: to register your interest in this notice and obtain any additional information please visit the Doffin web site at http://www.doffin.no/Search/Search_Switch.aspx?ID=261147.
