#### **II.2.3. Place of performance**

NUTS code: NO082 Viken

#### **II.2.4. Description of the procurement**

The need is defined as follows:

- Collection points or containers placed in the area by the National Arrivals Centre
- Collection of the different fractions as required.
- Sorting the fractions.
- Recycling materials when possible. Residual waste and the hire of paper/cardboard compressor with service/maintenance is also included in this need.

The need will be governed by how many persons are at the National Arrivals Centre at any one time. The need can therefore vary over time, and will partly be greater than what is drafted in the notice. It is the number of collections stated in the requirements specification, based on the prognoses for asylum seeker arrivals this year, that will form the basis for the evaluation of the price.
