### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers shall be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation:

- Norwegian tenderers: company registration certificate,
- Foreign companies: verification that the company is registered in a company register, professional register or a trade register in the country where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to comply with the contractual terms. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation:

Credit rating based on the most recent financial figures. The rating must be carried out by a credit rating company with licence to conduct this service.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Tenderers must have experience from comparable deliveries, this applies to both the delivery of vehicles and service/after-sales service.

Documentation:

Description of up to 3 of the tenderer's most relevant assignments during the last 3 years. The description must include information on the value, date and what was delivered. It is, however, the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of the personnel that can be used for this project, even if the experience was acquired while the personnel was in the service of another employer.
