II.2.4. Description of the procurement

The assignment mainly comprises all transport of scheduled journeys in the TT service for approx. 810 regular walking TT users. Regular users are TT users where some only need simple practical assistance for transport, but there are also many users who have a greater need for help.

The assignment is based on hiring vehicles, including drivers and equipment for the transport. The extent will be governed by need. There is no guaranteed minimum extent. Most of the scheduled journeys for coordinated taxis take place on weekdays during the day, mostly in the mornings and afternoons.

The coordinated taxis shall be planned and coordinated by the driving office. The driving office's booking section receives and registers orders from TT users. The driving office will make a plan based on what is appropriate for the contracting authority and the user and shall ensure that the user's need for service and aids are taken care of. This means that the degree of coordinated driving of several TT users will vary.
