**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

The procurement involves the establishment of a framework agreement

#### **II.1.4. Short description of the contract or purchase(s)**

The acquisition will ensure access to goods and tools in connection with the maintenance actions and daily operation of municipal buildings, but also for the use of students in the construction training course at the upper secondary schools in Oppland.

The ambition and desire is to award the contract to one supplier for each product group for all of the participating municipalities.

The municipality of Lillehammer, hereinafter called the Awarding Authority, invites with this open tender competition for a framework agreement for the supply of construction materials, timber, tools, instruments, paint, kitchen and locker room furnishing, special fastening materials, reinforced hoses, fittings, hoisting straps and cargo roping, shading devices, garden machinery for the above listed municipalities.

The goods that are to be procured are distributed in the following groups:

A. Construction materials (materials and supplies), timber, hardware, fittings /fasteners, hand tools, power tools, equipment and consumables for technical operations, kitchen and locker room fittings, paint.

B. Special fastening materials and chemical products, reinforced hoses, fittings for hydraulic and air powered tools and machinery, hoisting and fastening equipment.

C. shading devices.

D. garden tools and machinery.
