no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

— Norwegian companies: Company Registration Certificate

— Foreign companies: Proof that the company is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement:

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating company with a license to conduct this service. If the tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the

tenderer can document his economic and financial capacity by presenting other documentation considered suitable by the contracting authority.

Minimum level(s) of standards possibly required:

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

A. Tenderers must have experience from comparable assignments.

B. Tenderers must have a good and well-functioning quality assurance and management system for the services that will be provided.

C. Tenderers must have an environmental management system.

Minimum level(s) of standards possibly required:

Documentation requirement:

A. Description of up to three of the tenderer's most relevant/comparable assignments in the last three years. The list must include a statement of the deliveries' value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of the personnel that he can use for this assignment, including experience that has been acquired while the personnel carried out services for another service provider.

B. Tenderers must submit documentation of their quality assurance system and management system. The following documentation will be accepted: A certificate of the company's quality assurance system/management system, issued by independent bodies that confirm that the tenderer meets quality assurance standards in accordance with ISO 9001 or equivalent, or a description that, as a minimum, includes the company's procedures/routines for: Deviation and claims management.

Approval of sub-suppliers, and the process from receipt and registration of orders, and until delivery to the customer has taken place.

C. The tenderer must submit documentation of their environmental management system. The following documentation will be accepted: Valid attestation/certificates issued by independent bodies (e.g. ISO 14001, EMAS, Eco-Lighthouse or equivalent, or a description of the tenderer's own environmental management system. The description must as a minimum include an environmental policy and environmental goals.
