II.1. Description

II.1.1. Title

Operation and service contract for fire alarm installations.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Oslo, Norway, see the annex for the property list.

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

Boligbygg currently has 96 properties with automatic fire alarm installations. During the first quarter of 2013 twenty new properties shall be upgraded with all-covering fire alarm installations. The installations are located in the various buildings belonging to Boligbygg Oslo KF, see annex 5 Property List with an overview of the fire alarm installations.

The competition is for services for carrying out legally imposed annual inspections and service

of fire alarm installations. The competition is also for the awarding authority's need for technical assistance with maintenance, repairs and assistance/support in cases of system errors.

The purchase of components is also a part of the contract.

Changes/upgrades to the existing installations shall be compatible with the existing systems as these must be work with the existing centres and alarm systems.

II.1.5. CPV code(s)
