**II.1.2. Type of contract and place of performance or delivery**

Supplies

Purchase

Main site or place of performance: Sør-Trøndelag, Norway.

NUTS code NO061 Sør-Trøndelag

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

The procurement involves the establishment of a framework agreement

**II.1.4. Short description of the contract or purchase(s)**

The contracting authority would like to receive tenders for the delivery of the following:

The Norwegian Public Roads Administration, Region Mid-Norway, want to purchase

equipment for signalling systems in South Trøndelag and North Trøndelag. This primarily concerns light holders, push buttons, poles, detection equipment etc.

There is a requirement to purchase equipment for maintenance and restoration of damage. In periods it may also be necessary to replace the equipment more systematically. The need for equipment varies and there is a need for a framework agreement where equipment is purchased as needed.

See the tender information documents for further details.
