The performance of the contract is subject to particular conditions: no

### **III.2. Conditions for participation**

#### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: 1. HSE self-declaration.

A HSE self-declaration shall be enclosed with the tender.

2. Tax Certificates.

Tax and VAT certificates, not older than six months, shall be enclosed with the tender.

3. Working partnership: declaration of joint and several liability.

If the tenderer is a working partnership, a declaration of joint and several liability to the builder and third parties must be enclosed with the tender.

#### **III.2.2. Economic and financial ability**

List and brief description of conditions: 1. Equity. Solvency.

Tenderers are required to have positive equity. If the tenderer is a working partnership, the requirements apply for each of the participants.

Documentation of equity is to be submitted the tender. Cf. chapter E2, point 4.3.1, form E2-4.3.1. Documentation of any significant changes to the tenderer's equity and solvency compared to the last accounts audit must accompany the tender.

2. The tenderer's turnover.

The tenderer's annual average turnover should be at least as large as the annual turnover the contract will generate.

This requirement is included in the criterion for implementation ability, which will be evaluated together with the key personnel's competence.

Documentation requirement:

Documentation of turnover for the last three years should be submitted the tender. Cf. chapter E2, point 4.4.1, form E2-4.4.1.

### **III.2.3. Technical and professional ability**

List and brief description of conditions:

#### **1. Experiences from equivalent work. Reference projects**

The tenderer shall have experience from work of the same nature and degree of difficulty.

Documentation requirement:

Information on such shall be attached with the tender. Cf. chapter E2, point 4.1.1, form E2-4.1.1.

#### **2. The builder's experiences. Reference projects**

NPRA and other builders' experiences with the tenderer will be appraised

The tenderer is required to show references to relevant contracts that they themselves have carried out in a satisfactory manner.

Conditions which will be evaluated are related to, a.:

- documentation of completed quality,
- fulfilment of contracts,
- compliance with provisions and procedures for HSE,
- compliance with provisions for wages and working conditions,
- observance of deadlines,
- follow up during the warranty/claims period.

Documentation requirement:

Information about contracts the tenderer has had in the last few years, with names of references at the contracting authority, shall accompany the tender. Cf. chapter E2, point 4.1.2, form E2-4.1.2.

Any assessment forms from previously completed contracts can also be included in the basis for the evaluation.

#### **3. Key persons' competence.**

Technical and professional competency and relevant experience is required of the key personnel who will be engaged in this assignment.

This requirement is included in the criterion for implementation ability, which will be evaluated together with the tenderer's turnover.

Documentation requirement:

Competence and experience must be documented. Cf. chapter E2, point 4.4.2, form E2-4.4.2.

### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

Execution of the service is reserved to a particular profession: no

##### **III.3.2. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes
