III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tax and VAT certificates

Tenderers must have their tax and VAT payments in order.

This must be documented by submitting a certificate of tax and VAT that is not older than 6 months from the deadline for submitting a request for participation.

Foreign tenderers must submit an equivalent certificate in accordance with the legislation in the country where the tenderer is established as a company. Foreign tenderers that are liable to pay taxes and social contributions in Norway shall present a tax and VAT certificate, see above.

Company registration certificate

Tenderers shall be a legally established company, this shall be documented by presenting a Company Registration Certificate or equivalent in accordance with the laws and regulations in the country

where the tenderer is registered as a company. The certificate must not be more than 1 month from

the deadline for requests for participation in the tender contest.

Certificate from the bankruptcy register.

The tenderer must submit a certificate issued by a competent body in the tenderer's home country or the country where the tenderer is established. The certificate must verify that rejection reasons regarding bankruptcy and insolvency etc. in accordance with the Utilities Sector's Regulations

§ 20-2 third paragraph, letter b.

Joint venture

If a request is submitted by several legal subjects in a Joint Venture or similar, a copy of the agreement that regulates the joint venture must be attached.

The parties are required to have joint and several liability.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Annual accounts with key figures

Minimum level(s) of standards possibly required:

The tenderer must present the revised and approved accounts for the last 3 years (2019, 2020 og 2021). The tenderer must also complete and submit the form in Appendix 4 in the Qualification documentation.

If the Contracting Authority deems it necessary, the Contracting Authority will obtain a credit appraisal of the tenderer.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

- Experience from equivalent assignments.
- Stand-by system

Minimum level(s) of standards possibly required:

- The tenderer must have sufficient experience from equivalent assignments. This must be documented by presenting information on the most relevant assignments (minimum one) that the tenderer has provided during the last 3 years. Assignments that are initiated but not completed can also be considered relevant.

The tenderer shall use the form in Annex 6 in the Qualification documentation for this, where you will also find what detailed documentation requirements apply.

- The Applicant must have a satisfactory stand-by system. The Applicant must enclose a description of its stand-by system and particularly provide an account of: how stoppages, disruptions in production/breakdowns and delays are managed, the tenderer's routines for accidents, fire, robbery etc.
