Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements The tenderer shall be a legally established company. Documentation: Norwegian companies shall submit a

company registration certificate from the Brønnøysund Register Centre. Foreign companies shall submit proof that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Tenderers are required to have a bankruptcy rating equivalent to B (moderate bankruptcy risk) from Proff Forvalt (Proff AS) or better. Documentation requirement: The contracting authority will use Proff Forvalt (Proff AS) to assess fulfilment of the requirement. Therefore it is not necessary for tenderers to send this documentation. This can e.g. be the company's annual accounts or extracts thereof, bank declarations or liability insurance certificates, ref. the Public Procurement Regulations §16-4. If a tenderer will use the capacity of other companies to fulfil the requirements for economic and financial capacity, the contracting authority requires that they are joint and severally responsible for the execution of the contract.
